

Over 240 Affirmations on Money, Abundance and Prosperity

Collected by Edward Mills

I have been collecting abundance affirmations for a LONG time. Over the years I have found some that have stuck with me. Others seem to come and go. And still others don't really resonate with me.

Here I have collected an extensive list of abundance affirmations for you. Many of these are my own, and many come from others including Catherine Ponder, Abraham-Hicks, Sanaya Roman and others.

Even if you do nothing else, just the act of reading through some or all of these affirmations on a daily basis will have a dramatic impact on your ability to attract abundance into your life.

But I have found that the most powerful affirmations are the ones I create myself. Read through these affirmations. Notice which ones resonate with you. Which ones make you tingle or the hair stand up on your arms? Those are the ones to focus on.

Post those affirmations where you will see them on a daily basis: Your bathroom mirror, your kitchen table, your refrigerator door, the dashboard of your car. Read them out loud in the morning and at night. Memorize them. Let them sink into your cellular structure and begin to dissolve your old, limiting beliefs about money and abundance.

You are an abundant being. Acknowledge that abundance, breathe that abundance, live that abundance and share that abundance with others!
